

Your One-Stop Shop For AI Innovation - Empowering AI Research & Industry

The AIoD platform can be used by the AI community to:

DISCOVER AI research projects, tools, datasets, services, success stories, and funding opportunities - all in one trusted European platform.

BUILD AI solutions using modular infrastructure, low-code tools, and open resources tailored to innovation and deployment.

TRAIN models using secure, high-performance computing, from experimental research to large-scale industry applications.

OPERATE AI services on enterprise-grade infrastructure, reach users via the AI Marketplace, and ensure compliance with EU standards.

CONNECT with a growing ecosystem of researchers, startups, companies, and public actors driving responsible, sovereign AI in Europe.
